### **The President's Message:**

Hello!

Thanks to all of you for the help during the planning meeting August 9, 2022. After the rescheduling, due to some of us having health problems, it was great to have so many members there. We enjoyed seeing each other, the appetizers, and all the discussion about Beta Sigma Chapter meetings. Thanks to all of the members who helped with the planning. Just so you know, the appetizers were plentiful, so we had plenty for everyone and even had some leftovers, too. We did not leave anything on the table!

---

Our meetings will be the second (2nd) Tuesday of the month starting at 4:30pm. The meeting place will be at Backwoods Restaurant. Some meetings will take place at different locations. You will receive the information of the location for the meeting if we are not at Backwoods Restaurant. Please check your email/text message. This way you will have the place and time of each meeting. I will do my best to send the needed information out in a timely manner. Please, come to the chapter meetings even if you are late coming to the meeting. I will be very happy if you make the effort to attend; your effort shows your commitment to Beta Sigma Chapter.

Hope to see everyone September 13, 2022 4:30pm at Backwoods Restaurant. They serve very good hamburgers, loaded baked potatoes, barbeque and desserts. What can be better than not cooking/taking home dinner?

Thanks for the support you have shown me,

Rachel Weir President

Beta Sigma Chapter

I would love to share news of some of our members:

Jamie Sipes has retired, yes you heard it right. Welcome to retirement! You will enjoy it.

Cathy Black has been to Gulf Shores at least twice this summer.

I may get in trouble with this one: Terri Tims has left Bolivar High School. She is now a teacher in Memphis, wish her good luck when you see her.

---

I have been moving a granddaughter, who graduated and now has a job. In Virginia, not even close to her grandparents. What was she thinking?

So from now on, if you travel, change jobs, stop working, get new people in your family or whatever may be going on in your life, please share with us. We love to live vicariously through others. (I only go somewhere if a U-Haul involved.) Help by sharing something going on in your life, please.

### **Happy Birthday to Jamie Sipes September 3**
