## President's Message:

as well as enjoy each other's company. A special thanks to Dorrie Powell for hosting this event in her lovely country home.

Greetings, Beta Sigma!

Thanks to everyone who made our "Christmas in January" celebration a success. We were able to meet with some of our state and district officers

For our next meeting, Terri Tims has once again organized a special treat for us. We will be attempting to Skype with her cousin to hear a global perspective on educational issues. Come prepared to listen to an international discussion on education, an issue close to many of our hearts!

We are also looking forward to our "March Outing" to see War Horse at the Orpheum in Memphis. We will attend the matinee showing on the [last Saturday](#) in March. Tickets are

approximately \$59 per person, so please let me know ASAP if you would like for me to reserve your seat. You can pay me at our February meeting, or if you are unable to attend, we can make an alternative plan.

Finally, our last meeting of the year will be a "dutch-treat" at Joe's in Bolivar. Here we will install new officers and reflect on our year together. The nominations committee will be considering names soon, so please let Betsy Lucas know if you are interested or would like to nominate someone to be an officer for the 2014-2016 term.

This Spring promises to be a productive and eventful time to share together. We hope that you will be making plans to join us as we enter into the final semester of the school year.

## International in Indianapolis

If you are interested in attending the international conference, it will be held in Indianapolis, Indiana this summer. A district leader is attempting to charter a bus for approximately \$100 per person.

If you think you may be interested, please email Dorrie Powell for more information. There will be a preliminary tally to determine if there will be enough interest to charter the bus.
