Xi State

Beta Sigma Chapter
Issue February

President's Message:

It's an exciting time to be a member of Delta Kappa Gamma, particularly for members of our Beta Sigma Chapter! The word is officially out that our own Dr. Dorrie Powell has been nominated as Xi State's President for 2015-2017! Of course, the nomination will be approved by members, and we will have the honor of being the home chapter of the State President! Dorrie will need our support in so many different ways for the next two years! For certain, we all need to make plans to attend the State Convention in June and the International Convention in Nashville in 2016. Congratulations, Dorrie!

Looking back for a moment, we had a wonderful evening at our Christmas in January party last month. Rachel Weir was so gracious to open her lovely home for us. We had such a pleasant time visiting and catching up over delicious snacks. Thank you to everyone who brought food and attended. I particularly want to thank Betsy Lucas for preparing a fun activity that helped us count our blessings and give some blessings to our International Project: Schools for Africa. Betsy also worked hard to organize and print our new yearbooks. If you have not received one yet, please let us know so that we can get those to you. If you missed the party, you also have another gift waiting for you, and that is a lovely wine glass decorated for

you by Cathy Black. Thank you, Cathy, for the beautiful gift!

Please don't forget our February meeting where we will discuss the latest news in education legislation. The legislature is back in session in Nashville, and we all need to be aware of the moves that are being made that will affect students, teachers, administrators, and retirees.

As we begin to head toward spring, it seems that life will begin to be brighter and busier for all of us. There are exciting plans for the 3 meetings that we have coming up. Please save the second Tuesday afternoons in February, March, and April for DKG. I'm looking forward to seeing you soon!
