Beta Sigma Chapter
Issue February 2019

President's Message:

Our February showing of the documentary “*Bully*”, was a great success. We had eleven Beta Sigma members who were present and a few even brought a husband. We had over one hundred students and parents attend the movie event. Our members graciously prepared/served refreshments and gave out RTI2-B reward tickets and I thank them for their help. I would like to thank Mrs. Fulghum’s husband Mark for the donation of the popcorn and the supplies/equipment to make the popcorn. Additionally, he got the sound system hooked up for us. I would like to thank those who distributed posters to local schools and Mrs. Burgess for making and preparing the reward tickets. I would also like to thank Cameshia Emerson, Principal of BCHS and Beta Sigma member, for allowing us to show the movie at BCHS. Finally, many thanks go out to Mr. Ian Wellons, who got the projector hooked up and ready to play the movie. The evening seemed to be a success, but the real test will be if any who attended came away with more understanding and/or greater compassion. Please share any feedback you hear.

Several of our members were able to attend the Legislative Symposium in Nashville. They had the opportunity to be part of a

discussion with legislators on hot topics in education. They were also able to meet the new Commissioner of Education. Those members have kindly agreed to share highlights and insights of their trip at our March meeting.

The testing season is fast approaching. However, Spring Break is approaching even faster! I know we will all need the rest and rejuvenation of that break in order to make it to the home stretch! I hope that your time will be an oasis of awesomeness!!! Enjoy!!!!

Warm regards,

Angela
