Issue November

President's Message:

Welcome to the Holiday Season, everyone! I was in a book store on Saturday, and the soundtrack for my visit was Christmas songs! I had a great time browsing the books, but the real reason I was there was to meet some of our DKG sisters who are chapter presidents in Memphis, as well as our Area IX Director, Rachel Weir. I heard such great ideas about activities going on in those three chapters, and the group was pleased to hear about the successes we have had in our chapter. I hope that one day soon the four chapters in Area IX can enjoy meeting together. Perhaps we'll have cause to soon because our next state president will come from West Tennessee! (More news

will come on that exciting development later!)

For now, let's focus on the excitement of our November meeting, which will be at The Pillars in Bolivar on Tuesday, November 11th at 4:30pm. We will be participating in a service project: decorating the historic home for the Holidays! This event will be a great opportunity for fun, fellowship, snacks, creativity, and learning, as we find out the historical highlights of the home. I hope that everyone will plan to attend! In this newsletter, you will find a list of items that would be helpful in decorating. If you happen to have any of these items to spare, please bring them along.

I hope that you all have a very pleasant November and

that Thanksgiving finds you with those you love most. I am thankful for all of you and the time that we get to spend together.

Sincerely,

Terri Tims

Beta Sigma Chapter President
