Issue October

## President's Message:

There's a nice north breeze blowing outside my window, and the wind-chimes are harmonizing in their various tones. I'm enjoying a quiet moment at home, pulling together all of the important messages I need to share with you.

We had such a nice turn out for our September meeting, and we have 7 ladies that we plan to initiate in October! How wonderful for our chapter that we were able to encourage such talented educators to join us and work alongside us in our efforts. Please be sure to attend our meeting on Tuesday, October 20<sup>th</sup>, at 6:00pm at the Presbyterian Church in Bolivar. Not only

will we be having initiation, but we will also hear from our sister, Wendy Mills, about changes taking place with testing in the county.

Additionally, please remember the West TN Chapters' meeting that is taking place on Saturday, October 17<sup>th</sup>. I am going to have Shelly attach the flyer to the newsletter so that you can have the information you need. The event will begin at 10:00am at the Ayers Auditorium on the JSCC campus. I am also going to attach the Heavenly Ham menu. Event organizers are asking that you send in a lunch order and pay \$10.00 for your meal. I will be happy to collect lunch orders through Friday, October 9<sup>th</sup>. You may either

bring me your order form or email it to me (do not submit it to Heavenly Ham). You may give the \$10.00 to me or wait to pay on the day of the event, but we must have the orders ahead of time. Please remember that this event is being held in honor of Dr. Dorrie Powell, and we all need to make an extra effort to attend!

I have added a new page titled "Committees and Assignments" to our website at [www.betasigma.org](http://www.betasigma.org). Please check there for your upcoming duties for meetings. I'll also email reminders, but you know my track record with emails ;)

I'm looking forward to seeing all of you soon!
